## CONGRATULATIONS AGC AWARD WINNERS

Achen-Gardner Construction is honored to have won two prestigious awards at the Arizona Chapter Associated General Contractors of America 85th Anniversary Celebration Dinner and Awards Ceremony.

The event took place on Friday, January 18th at the Heard Museum and was attended by more than 200 construction industry professionals.

Achen-Gardner Construction received a Build Arizona Award for our City of Phoenix **Val Vista Transmission Main Rehabilitation CMAR** project. This award was in the Reconstruction Over \$10 Million Municipal/Utilities Construction category. [Learn more about this exciting project on our website.](#)

**Cesar Martinez, Safety Manager**, received the Safety Professional of the Year Award. Cesar's hard work and dedication to safety has resulted in Achen-Gardner Construction working more than 1.5 million man-hours without a lost-time accident. This amazing accomplishment spans back to January 1, 2013, and continues as of this day. During this time, Cesar has been directly responsible for numerous valuable innovations that have helped him to create a culture of safety awareness and support from all levels within the organization. ## ACHEN-GARDNER CONSTRUCTION MERGER

We are excited to announce that Achen-Gardner Construction has merged with Emery Sapp & Sons. This partnership brings together two premier civil construction firms whose values, goals, and entrepreneurial spirit are impressively similar, and we now have the ability to utilize Emery Sapp & Sons' considerable PCCP and AC paving, aviation, and bridge construction experience. Achen-Gardner Construction's name, logo, and identity will remain the same and we will operate under our current licenses. We are committed to providing the high level of pre-construction and construction services our clients, partners, and industry friends have come to expect from us over the past 30 years.

In addition, Achen-Gardner is now a 100% employee-owned ESOP, meaning every employee-owner has a vested interest in the success of each project that they are working on. Our employees have always been our most valuable asset and we are proud that they will be able to share in our continued success. [Read more about the merger and Emery Sapp & Sons on our website.](#)

### SCENARIO 16A REHAB

GMP 3 of our Scenario 16A Transmission Main Rehabilitation CMAR project for the City of Phoenix is in full swing. This portion of the project includes the rehabilitation of 5,290 LF of existing 60" PCCP water transmission main using a 56" welded steel liner. [See our website for more project details and photos.](#)

### SRPMIC WATER LINE

The team of Pimara Construction and Achen-Gardner Construction is installing more than 2,700 LF of 8" DIP water line on Mesa Drive and more than 2,600 LF of 12" PVC water line on Dobson Road for the Salt River Pima-Maricopa Indian Community (SRPMIC). [Visit our website for more project photos.](#)
