

FUSED PVC SLIPLINING IN PEORIA

We are sliplining approximately 14,000 LF of 6" fused PVC sewer line inside an 8" ductile iron pipe from the Beardsley Road Water Reclamation Facility to 91st Avenue. We are managing 14,000 LF of bypass to support this work. This project is being completed as part of our Wet Utility Pipeline Projects JOC for the City of Peoria. 30TH ANNIVERSARY FACT

Achen-Gardner Construction has completed some of Arizona's most visible roadway and streetscape projects, including the state and national award-winning **Centennial Way Federal Aid Transportation Enhancement Design-Build** project. This project transformed Washington Street and the Arizona Capitol Mall Entrance in celebration of Arizona's 100th birthday as well as the state's history and culture. CELEBRATING PUBLIC WORKS

Leadership | Infrastructure | Community

AUGUST 7-9, 2019

STATEWIDE CONFERENCE
EL CONQUISTADOR TUCSON

FIND US AT THE ARIZONA APWA CONFERENCE

The Arizona Chapter APWA 2019 Statewide Conference is August 7-9th and Achen-Gardner Construction will be there.

EXHIBIT HALL: In addition to being a Premium Sponsor, Public Agency Sponsor, and Friday Prize Drawing Sponsor, we will be showcasing recent projects and handing out lots of goodies and giveaways at our booth (#28). Please come visit us and enter for a chance to win a big prize.

TECHNICAL SESSIONS: On Thursday, August 8th, there will be several presentations about Achen-Gardner projects:

- Town of Gilbert's First Major Horizontal Directional Drilling of Gravity Sewer Saves Time, Money, and Stakeholder Impacts, Joshua Tree Room, Thursday, August 8th, 11:30 am - 12:00 pm.
- Maximizing the Efficiency of Design-Build: How to Complete a Major Project in 180 Days, Joshua Tree Room, Thursday, August 8th, 2:00 pm - 2:30 pm.
- Demonstration of Pressure Pipeline Rehabilitation Using Primus Line, Outdoor Demonstration Area, Thursday, August 8th, 7:30 am - 8:30 am.

AWARDS LUNCH: On Thursday, August 8th, two of our projects will receive Arizona APWA Project of the Year Awards:

- **Downtown Chandler Canal Restoration:** [Visit our website for more information and photos.](#)
- **Val Vista Transmission Main Rehabilitation CMAR:** [Visit our website for more information and photos.](#)

UV CIPP IN PARADISE VALLEY

We completed the rehabilitation and repair of more than 3,200 LF of 8" DIP and VCP sewer lines in Paradise Valley using ultraviolet light cured-in-place-pipe (UV CIPP) as part of our **Wet Utility Improvements JOC**. [Visit our website to read more about this project.](#)

PHOENIX STORM DRAIN

We completed the installation of more than 1,300 LF of 18" storm drain along Vista Avenue from 27th Avenue to Black Canyon Highway as part of our City of Phoenix **Street Transportation Department General Construction JOC**. [Visit our website to read more about this project.](#)
