Another First For Pima County

Achen-Gardner Construction is installing 19 Predl manholes to rehabilitate the existing concrete manholes (60”) on Valencia Road. This is Pima County RWRD’s first ever use of the Predl PVC hybrid manhole system and we are completing this work as part of our **Wastewater Conveyance JOC** project. [Visit our website for more project information and photos.](#)

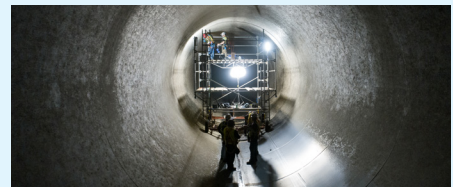

The Predl manholes are the latest in the series of recent “firsts” for Pima County RWRD. We also installed the County’s first segment of SaniTite pipe as part of our **Twin Peaks-Blue Bonnet Gravity Sewer** project, which was the County’s first progressive design-build. [Visit our website for more project information and photos.](#)

Tune in Live As We Discuss Our Milestone Projects

Achen-Gardner Construction employee-owners will be participating in several virtual live presentations about our projects:

- **THE LARGEST SEGMENTED STEEL PIPELINE IN ARIZONA GETS AN UPGRADE: TUESDAY, AUGUST 4TH**
Speakers: Tamara Miller, Central Arizona Project / Phillip Pagels, Central Arizona Project / Aric Smith, Achen-Gardner Construction
- **A TRENCHLESS REHABILITATION MILESTONE - FUSIBLE PVC SLIPLINING IN PEORIA: TUESDAY, AUGUST 4TH**
Speakers: Chris Sterne, City of Peoria / Brian Froelich, Achen-Gardner Construction / Rick Fradenburg, Dibble Engineering
- **LESSONS LEARNED FROM PIMA COUNTY RWRD’S FIRST PROGRESSIVE DESIGN BUILD: THURSDAY, AUGUST 20TH**
Speakers: David Badger, Pima County RWRD / Geoff Tucker, Achen-Gardner Construction / Stefanie Thrush, EEC

Visit the [AZ APWA Free Virtual Summer Series](#) website for more information.

Paving in Paradise Valley

We are working on the first phase of paving operations on our **Roadway Improvements Related to the Ritz-Carlton CMAR** project for the Town of Paradise Valley. This project will include more than 35,000 SY of pavement. [Visit our website for more information and photos.](#)

Mask Up

Achen-Gardner remains committed to the safety and well-being of our employee-owners, partners, and the public while we work to ensure our projects are completed on schedule. We are adhering to social distancing guidelines, wearing masks, and conducting many of our meetings online. We are following updates from the CDC and OSHA and improving our workplace sanitation and safety measures accordingly.

Going Trenchless

We are installing more than 4,900 LF of water line on Mockingbird Lane and Indian Bend Road. We recently completed a jack and bore of 87 LF of 12" water main inside a 30" casing under a box culvert. This project is for the City of Phoenix but is located within the Town of Paradise Valley and is part of our **Right-of-Way On-Call Water Main Replacement JOC** project. [Visit our website for more information and photos.](#)

Sewer and Manhole Rehabilitation Update

Our **PVC-Lined Concrete Sewer Pipe and Manhole Rehabilitation - North CMAR** project for the City of Phoenix is going strong. We recently completed the cured-in-place pipe (CIPP) rehabilitation of a segment of 30" PVC-lined concrete sewer pipe near the Loop 101 Frontage Road and 43rd Avenue. [Visit our website for more information and photos.](#)
