

AZ APWA PROJECTS OF THE YEAR

Two of Achen-Gardner's projects have won Project of the Year Awards from the Arizona Chapter of the American Public Works Association (APWA). The project teams will accept these awards at the Awards Lunch during the **Arizona APWA Statewide Conference** on August 8th at the El Conquistador Tucson.

The **Downtown Chandler Canal Restoration** has been selected for the Project of the Year Award in the Historical Restoration/Preservation, Less Than \$5 Million category. [Visit our website for more information and photos.](#)

The **Val Vista Transmission Main Rehabilitation CMAR** project has been selected for the Project of the Year Award in the Environment, \$5 Million, But Less Than \$25 Million category. [Visit our website for more information and photos.](#)

PRESENTATIONS AND DEMONSTRATIONS

There will be several presentations given by Achen-Gardner representatives and about Achen-Gardner projects at the Arizona APWA Statewide Conference on August 7th-9th at the El Conquistador Tucson.

- **Town of Gilbert's First Major Horizontal Directional Drilling of Gravity Sewer Saves Time, Money, and Stakeholder Impacts**, Joshua Tree Room, Thursday, August 8th, 11:30 am - 12:00 pm.
- **Maximizing the Efficiency of Design-Build: How to Complete a Major Project in 180 Days**, Joshua Tree Room, Thursday, August 8th, 2:00 pm - 2:30 pm.
- **Demonstration of Pressure Pipeline Rehabilitation Using Primus Line**, Outdoor Demonstration Area, Thursday, August 8th, 7:30 am - 8:30 am.

NEW PROJECTS

We have been selected to provide pre-construction and/or construction services for the following projects:

- **City of Casa Grande Transportation Construction Services JOC**
- **EPCOR Luke 303 North Sewer Trunk Main DBB**

We look forward to working on these exciting projects.

30TH ANNIVERSARY FACT

Achen-Gardner Construction (AGC) is a company with modest beginnings. In 1989, Achen-Gardner Engineering (which is now AGC) shared office space with Farmers Insurance in Chandler and also worked part time out of another office in the City of Casa Grande. Early employees would take their computers home at the end of each day, not knowing where they would be going to work the next day. This continued for six months until full-time office space was acquired in Chandler. In 1995, AGC moved to a new office in Chandler (pictured above) and in 2012 we established an office in Tucson. In 2019, AGC merged with Emery Sapp & Sons and became a 100% employee-owned ESOP.

JOC SPOTLIGHT

We were called out to repair an 8" sewer line in the front yard of a private residence in Paradise Valley as part of our **Wet Utility Improvements JOC** project. We excavated with a vactor truck to minimize the impact to the area and worked with the homeowner's landscaper to restore the area when the repair was complete.

[Visit our website for more project information and photos.](#)

CONCRETE REPAIRS

We are removing and replacing non-ADA-compliant curb ramps and repairing damaged curb, gutter, and sidewalks in front of Sunnyslope School in Phoenix. These repairs, part of our **Street Transportation Department General Construction JOC** project for the City of Phoenix, were scheduled for summer to mitigate traffic impacts around the school. [Visit our website for more project information and photos.](#)

WE ARE HIRING

Join our Achen-Gardner family! We are hiring for a variety of positions. Our benefits include an Employee Stock Ownership Plan, top craft wages, annual bonuses, great healthcare, one week paid vacation, 401(k), and training programs to keep your skills sharp. Apply in person today at our Chandler or Tucson offices:
